Systems: Drupal (extensively), SiteFinity, Wordpress, JQuery, CakePHP (starting), Objective-C, Apache MySQL PHP (AMP systems) in all OSes.

What more can I say about myself? I love music, sports, play soccer & traveling. I volunteer a couple times a year & was one of Boston Public School's valedictorians, class of 2000. I love everything technology, gadgets, tools & I try to stay on top of my craft by learning about what's new & updates. I am a hard worker, team player, a problem solver & try to bring a little perfection to everything I do.
